GOLDSMITH METROPOLITAN DISTRICT 2024 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

Goldsmith Metropolitan District is a quasi-municipal corporation and political subdivision of the State of Colorado organized by order of the Denver District Court on March 28, 1975. The District's service area is located in the City and County of Denver, Colorado and the City of Greenwood Village, Arapahoe County, Colorado. The District was organized to provide storm sewer improvements, street improvements, park and recreational facilities and safety protection services.

On November 4, 2003, the sub-district Block K Subarea was formed. The Sub-district will finance the capital and operating costs of development within Block K of the Denver Technological Center. The formation of the Sub-district will allow the District to fix different rates of levy for property tax purposes against property contained solely in the sub-area. On November 4, 2003, the voters of the District also approved additional debt in the amount of \$23,000,000 and \$200,000 in additional annual taxes to pay for the construction and maintenance of the infrastructure costs of the Sub-district. Block K is located entirely within the City of Greenwood Village.

The District's Board of Directors are considered employees of the District. The District contracts for all of its management and professional services.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statues C.R.S. 29-1-105.

Revenues

Property Taxes

The primary source of revenue is property taxes. The calculation of the taxes levied is displayed on the Property Tax Summary Information pages of the budget.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reduction as follows:

Category	Rate	Category Rate		Actual Value Reduction	Amount
Single-Family Residential	6.70%	Agricultural Land	Agricultural Land 26.40% F		\$55,000
Multi-Family		Renewable		Multi-Family	\$55,000
Residential	6.70%	Energy Land	26.40%	Residential	
Commercial	27.90%	Vacant Land	Vacant Land 27.90%		\$30,000
Industrial	27.90%	Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%	State Assessed	27.90%	Lodging	\$30,000
		Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 5.40% of the property taxes collected by both Arapahoe County and Denver County.

Net Investment Income

Interest earned on the District's available funds have been estimated based on historical interest earnings.

In-Lieu Income

In-Lieu Fees are imposed on the properties, which are excluded from the District and currently receiving benefit of facilities, services and programs provided through the District, to fund the costs of the provision of services. The calculation of In-Lieu Fees is based on the assessed value of the properties reported by the County Assessor and the applicable general operation mill levy.

Debt Service

In 2014, Goldsmith Metro paid off the \$5,300,000 Block K Subarea General Obligation Variable Rate Bonds, Series 2004, dated August 5, 2004. The bonds were paid off through the Amended and Restated Funding Agreement between Goldsmith Metro and Goldsmith Block K, dated November 1, 2014. The Agreement states that the Block K Subdistrict will reimburse Goldsmith Metro the principal amount paid of \$4,960,000, plus interest calculated at the Colotrust Plus+ average monthly yield plus 1.5%.

Per the Amended and Restated Funding Agreement, any excess revenue generated by the Debt Service Mill Levy and Development Fees should be applied to the next principal payment due on the Amortization Schedule.

The Second Amended and Restated Funding Agreement dated April 1, 2019 allows the Block K Subarea to borrow an additional \$1,000,000 for public improvements within the Subarea. The District made the first advance of \$650,000 in 2019 and the second advance of \$350,000 in 2020.

The interest and principal payments for the Series 2021 Bonds are provided based upon the debt amortization schedules (discussed under Debt and Leases).
